**Federal Aviation Administration**
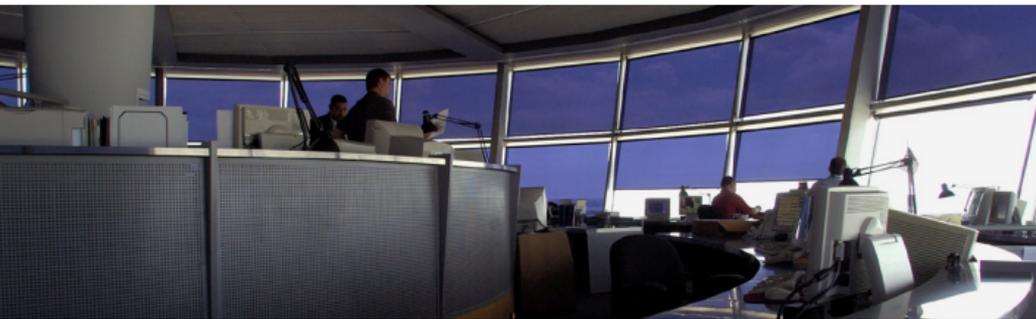

Air Traffic Control Specialist

Terminal and En Route Positions

Suitability and Security Standards

DESTINATION *FAA*

Individuals must pass a rigid security/ background investigation. The following are types of issues that are reviewed as part of the security/ background check and which may result in a person not being selected for a job as an air traffic controller.

- General or dishonorable military discharge

- Actions or convictions for which there is statutory debarment from federal employment

- Government loyalty issues

- Evidence of dishonesty in an application or examination process (e.g., falsification of application)

- Drug-related offenses

- Felony offenses

- Firearms or explosives offenses

- Alcohol-related incidents

- Willful disregard of financial obligations

- Derogatory employment terminations

- Patterns and/or combinations of incidents which lead to questions about your behavior and intent
